## CITY NEWS.

WEDNESDAY, May 1, 1878.

### Local Briefs.

—Fresh shell oysters at Harry Walker's.

—It's too bad that local news is "unusually" scarce; hey, Shag?

—At Harry Walker's crystal saloon may be found the choicest shell oysters.

—Harry Walker sets up the oyster soup lunch every morning at 9 o'clock.

—Dr. Arter is now able to sit up and avows his intention to "go through," come what will.

—Miss Annie Kelsey, a former attaché of the Cairo book bindery, is visiting Mrs. Payne.

—Painting, house-cleaning and moving are now the most laborious duties of the good husband.

—A. W. Pyatt & Co. are to have a small stationery establishment in connection with their bindery.

—I will offer on Monday morning 100 pieces Hamburg edgings at prices much below their actual values.

—Alderman Foley will go into the ice business this season. We bespeak for him a liberal share of patronage.

—Dr. Dunning, Capt. W. M. Williams and others went to Unity last evening to attend a temperance meeting.

—Geo. Martin, of Charleston, Mo., has enlarged his "Enterprise," making it by far the most newsy sheet in the burg.

—Oyster soup lunch at Harry Walker's crystal saloon every evening at 9 o'clock.

—Shell oysters just received at the Crystal saloon. HARRY WALKER.

—The place to get gents' underwear fine goods, at very low prices, is at A. MARX, 61 Ohio Levee.

—Query: Why will men smoke common tobacco when they can buy Marburg Bros. "Seal of North Carolina" at the same price?

—A meeting of the Woman's Christian Temperance Union was held in the Reform club rooms yesterday afternoon.

—Mr. and Mrs. John Althorpe returned to the city yesterday afternoon, and are now at the residence of the bride's mother.

—Remember the fancy entertainment to be given at the residence of Mr. Chas. Gallagher to-morrow, Thursday, evening.

—Don't forget the free oyster soup at 9 o'clock this evening at Harry Walker's, corner Sixth street and Commercial avenue.

—Mr. Dennis Foley tells that a gentleman whose initials are J. N. O. B. R. E. N. E. will soon go into "business" for himself.

—The city council of Mound City, at a regular meeting, passed an ordinance repealing the ordinance raising liquor license.

—Mr. C. Close is canvassing the city for a very interesting book entitled "A Pictorial History of the World," by James D. McCabe.

—Mr. F. Kormeyer is just in receipt of a very large and select stock of Key West and imported cigars, to which he calls the special attention of smokers.

—McGinn, not McLinn as was stated in one of last week's issue, who had his hand crushed on the Central road, is still living. His age makes his recovery doubtful.

—The skating rink, under the supervision of Petit & Ellis, will be open to-night. An excellent band of music will be in attendance. A cordial invitation is extended to all.

—The car-hoist men have again suffered a reduction of pay. Four men are doing the same work they did before the reduction, losing between themselves one man's pay.

—Messrs. Trigg and Frasier have now in course of completion a very substantial little planing mill. It is located at the corner of Tenth street and Washington avenue and Poplar street.

—The old Farmer's Home on Tenth street, which has been before been made, remains a nuisance. Why some means is not resorted to to abate the same we are unable to say.

—The new coach, recently built at Chicago to convey officials over the road, arrived in the city on the Illinois Central railroad yesterday, containing Ed. F. Jeffery and other high officials.

—The calico hop under the auspices of the Allons Dancing club on Thursday last at Mound City was well attended. Frank Healy, Wayne Whitlock and Will Hendricks from Cairo were present.

—Mr. Patrick Mockler and Miss Wagner will be married by Father Zabel in St. Patrick's Catholic church this evening. A reception will be held at the residence of the groom at nine o'clock.

—The shooting club was out yesterday evening. What the score was we did not learn. This is a much more commendable pastime (shooting at glass balls) than was the sport of mangle pigeons.

—The entertainment to be given to-morrow, Thursday, evening at the residence of Mr. Chas. Gallagher for the benefit of the Episcopal church, will be an enjoyable affair. The friends of the church are invited to attend.

—The Bulletin's new dress will

make its first appearance to-morrow morning. The amount of labor involved in getting out the first issue has been great and delayed us beyond our expectations.

—J. Chester Morris of Louisiana, and ex-superintendent of public instruction of that state, is expected to arrive in this city to-day, on a visit to the united order of (colored) Odd Fellows. He will be the guest of W. T. Scott.

—If there is not much local or other matter in this issue of the BULLETIN our readers will remember that nearly all our force of type setters are engaged in setting up the type for the new paper, which we confidently expect to have out to-morrow morning.

—Apprentice boys are the principle employees in the machine shops of the Illinois Central railroad all along the line. Business has fallen off to such a degree that the company does not feel warranted in having any more expensive servants.

—It is a very bad idea to allow small children to catch wood from the river. We do not mean to dictate, but feel that a suggestion is not out of order. We say to parents that a single stick of wood may be the cause of the unnecessary expenditure of the price of a coffin.

—At the skating rink last night, under the management of Petit & Ellis, a large throng gathered and enjoyed itself hugely. The success that will attend the boy's efforts, will undoubtedly be of greater magnitude than was W. O. Lee's, on account, mayhap, of their more reasonable charges.

—A young man personally known to ye deponent went to Anna a few days since with a new \$3.00 straw hat. He came home with a greasy old slouch. Some scandal mongers are mean enough to insinuate that a connection with the Reform Club would not be a bad idea for the aforementioned.

—Children cry for Pitcher's Castoria. It is as pleasant to take as honey. It contains no morphine or other deleterious ingredient, and is sure to expel worms, cure wind colic, regulate the bowels and stomach, and overcome irritation caused by rash or cutting teeth. Mothers can rest, and children enjoy health, who use Castoria. It is harmless, it is certainly speedy, and it is cheap.

—The Hon. P. B. S. Pinchback lectured last evening at the Athenaeum to a large audience, composed partly of whites and blacks. Gov. Pinchback is a pleasing speaker and was listened to throughout his lecture with the closest attention and interest. He arrived in the city yesterday at noon, and during the afternoon, in company with Judge Bird and number of other prominent colored citizens, visited the public schools.

—Something of more importance than a mere visit to Cairo occurred to a shoe-maker up-town while in company with Mayor Winter in that burg, so it is said. On his arrival home a reception was given him. His serenaders did not claim for themselves much musical talent but evinced their willingness, if the complaints to police authorities of the unearthly din thereabouts that night be true, by giving the above gentleman a sample. He came to door, made an appropriate address and retired.

—Persons wishing anything in the line of millinery goods, will do well to call at the establishment of Mrs. H. S. Carson & Co., as the goods are all fresh, new and of the latest importations. Styles and fashions. New goods just received and will be during the season every few days. All are invited to call at that establishment on Commercial avenue opposite Winter's block near Seventh street, formerly occupied as a toy store, Cairo, Ills.

—A new German school will be opened on the first of May, 1878, at the old German school-house, on Fourteenth street. Parents wishing to send their children there, cannot have a better opportunity. Also an evening school will be opened. Ladies and gentlemen wishing to learn the German or French languages, will do well to take advantage of this opportunity. Terms moderate, according to the times. For particulars address lock box 819. P. M. FRIEDRICH, Cairo, Ills.

—Mrs. Elizabeth B. Harbert, of Evansville, Illinois, will lecture in the Athenaeum in this city on next Tuesday evening for the benefit of the Industrial School for Girls. Mrs. Harbert, as an author and philanthropist, has won an enviable reputation, and as editor of "Woman's Kingdom," in the Chicago Inter-Ocean, has become known to the reading public of the west. The Lafayette (Indiana) Journal of a recent date, referring to her lecture, in that city, speaks thus flatteringly of her: "The fair lecturer more than met the expectations of her friends, and no one, even of those entertaining views antagonistic to those expressed in the lecture, could fail to admire the clear, dignified and elegant manner in which the subject was presented. The speaker is one of the few women who can stand before an audience complete mistress of the situation, and at the same time lose none of her womanliness. She indulges in satire without extravagance, sarcasm without offensiveness and without pedantry-rare combinations in a speaker." Mrs. Harbert has chosen for her subject on the occasion of her lecture here the rather interesting theme of "Men's Rights," and we are just a little anxious to know what she will have to say on so important question. The price of admission to the lecture has been fixed at 25 cents.

—The entertainment to be given to-morrow, Thursday, evening at the residence of Mr. Chas. Gallagher for the benefit of the Episcopal church, will be an enjoyable affair. The friends of the church are invited to attend.

JAMES M. WATSON,  
Sergeant Signal Service, U. S. A.

Bids are being received at Pittsburgh for two steamers to be duplicates of the J. B. M. Kehlor, we are told.

The Mary Miller was well laden for St. Louis.

Captain Wm. Campbell, of the Robt. E. Lee, has steamboat in the lower river trade 25 years.

The immense coal fleet, that left Pittsburg on the late rise, is progressing down the river with scarcely an accident so far, and will in all probability get to Cincinnati and Louisville with very slight losses.

The U. P. Schenck yesterday made liberal additions for New Orleans.

The great Charles Morgan was due last evening from Cincinnati, and will no doubt be found at the wharf this morning.

The Colorado brought 200 bales cotton for reshipment east by rail and a moderate trip of freight and people for St. Louis.

## BASKET PIC-NIC.

### Home Again.

Ed. Braxton has returned to his old stand in the Reiser building, where he is better prepared than ever to accommodate his patrons and the public who may favor him with a call. He has gone to considerable expense in fitting up a couple of nicely furnished rooms, which he has provided with all the latest improvements and conveniences. He employs only first class workmen and those who patronize him will have their wants attended to in style and will receive courteous treatment.

### For Rent.

An excellent cottage. Inquire of Geo. Fisher. 4-27-1w.

### Something New.

The Simmons refrigerators; also water coolers, ice cream freezers; window and door wire cloth; bird cages, flower stands, hanging baskets, fishing tackle and a thousand other things at A. HALEY'S, No. 115 Commercial avenue.

### Never Known to Fail.

Dr. Morris' Syrup of Tar, Wild Cherry and Horehound has never been known to fail in permanently curing obstinate coughs, colds, croup, whooping cough, nor any diseases of the respiratory organs, and it does it, too, at once. It is not necessary to take it for a long time before you can discover its beneficial effects. Its sale in this community is immense, and its popularity universal. It should not be classed with compounds put up by inexperienced hands. Do not fail to give this great and potent remedy a trial. It will not and cannot disappoint you. Try it once. Trial size 10 cents. Regular sizes 50 cents and one dollar. For sale by Barclay Bros., cor. of Eighth street and Washington avenue, Cairo, Ills.

### Also agents for Prof. Parker's Pleasant Worm Syrup, which never fails. Pleasant to take, and requires no physic. Price 25 cents.

In fancy stripes, flannels and chevrons of the latest designs, from \$7 to \$25, at A. MARX, 61 Ohio Levee.

## CHICAGO ICE CREAM.

I am now prepared to furnish the above cream at my LADIES' ICE CREAM PARLORS, having had a practical workman of that city in my employ for the past eight months who worked in the largest ice cream factory in that city. I have also furnished my parlors with fine marble top tables and finest chairs; in fact I have as fine a place as any in the larger cities. I will wait on my patrons myself and will see that they receive prompt attention. Call and be convinced.

PHIL H. SAUF,

Corner Eighth Street and Washington Avenue. 47

**Notice.**  
All debts and accounts due the BULLETIN newspaper for advertising and subscription up to this date must be paid to the undersigned, and all accounts held against the paper will be paid by me. W. F. SCHUCKERS, Cairo, April 30, 1878.

**Grand Fancy Entertainment.**  
There will be a grand entertainment at the residence of Capt. Chas. Gallagher on Thursday evening, May 2nd, for the benefit of the Episcopal church. ## A GRAND EXCURSION AND PIC-NIC.

under the auspices of the Christian Mission Sunday Schools on the Cairo and St. Louis railroad to Bald Knob, the highest peak in the state, will take place Saturday, May 4th. The scenery is magnificent, tall rocks and cliffs, ferns, flowers and strawberries in abundance, also ice cream and other refreshments on the grounds. Train all coaches. Will leave the St. Charles hotel at 8:30 sharp, stopping opposite Tenth and Twenty-eighth streets to receive passengers, and arrive on the picnic grounds at 10:45 a.m., and returning, will leave at 4 p.m. Fare for the round trip only 50 cents for all over twelve years, and 25 cents for all under twelve years. So come along, bring your basket dinner and let's have one day of genuine pleasure. Tickets can be had at the stores of Alden Graves & Co., Thistlewood & Co., or of Capt. Miller, Green Line agent.

### The Common Enemy.

In order to make head way against the common enemy, disease, it is necessary to oppose him with persistence. It very frequently happens that a remedy perfectly adequate to the necessities of the case, it persisted in, is condemned and thrown aside because a few doses of it does not cure a malady. How unreasonable and unjust would such a judgment be, regarding Hostetter's stomach bitters, one of the most popular and highly sanctioned medicines of the day, a potent invigorant and an invariably successful remedy for constipation, dyspepsia, liver complaint, indigestion, rheumatism and gout, inactivity and weakness of the kidneys and bladder, and for the infirmities incident to the decline of life. No fact is better established than the above, yet in order to experience its truth those afflicted with obstinate forms of disease should give this benign curative a patient trial. If they do, they may rely upon decisive curative results.

### Wedding Gifts.

Just received by Taber Bros. a fine assortment of beautiful heavily plated-ware, suitable for wedding presents. Also, just completed the manufacture of some fine jewelry of beautiful design. All of which are now open for inspection.

### Little Coleman's Laundry.

Mrs. Little Coleman has reopened her laundry on Fourth street, between Washington and Commercial avenues, and takes this method of informing her old friends and patrons that she is again at their service, and solicits their patronage. She has reduced prices to suit the times.

### DEDICATION BALL.

STRAWBERRY FESTIVAL.  
To be given by the Delta City fire company, at their new hall, on Commercial avenue, near Eighteenth street, on Wednesday evening, May 16th. All are invited. Ticket \$1.00. By order of committee.

## "DON'T YOU FORGET IT"

That the "Reform Saloon," corner of Tenth street and Washington avenue and Poplar, is now supplied with the best wares ever brought to Cairo. It is an imported article, palatable, cool and delicious. You should further know that if a glass of Seltzer water, Sheboygan mineral water, or ice cold lemonade, is among your wants, you can be supplied most satisfactorily at the Reform Saloon than anywhere else in Cairo. Making a specialty of Temperance drinks—such beverages are as healthful and harmless. The proprietor of the Reform Saloon feels assured of his ability to accommodate all demands in that line in a manner that is sure to please, even the most exacting. And cigars and tobacco! I keep the best brands that are made, as all my patrons are ready to testify. Don't you forget this either. I shall strive hard to deserve patronage, and now I invite my friends and everybody to drop in and see me.

### Notice to Contractors.

Sealed proposals will be received until Monday, the 6th day of May, 1878, at the store of Thomas Keane, corner Washington avenue and Twelfth street, for the construction of a brick engine house for the Hibernian fire company.

Bids will be received for carpenter and brick work separately and also jointly. The committee reserve the right to reject any and all bids.

Plans and specifications may now be seen at the store of Mr. Keane.

### Mark's Hat House.

This house has become one of the most popular hat houses in the city. Why? Because you always find the best in the country, such as the celebrated John B. Stetson direct from the factory, every one made to order.
